

## Delhi Narrative Recommendations

12th December 2024

Issue	<b>Your toilet could be the reason behind Delhi's highest Yamuna pollution since 2020</b>
Brief	Pollution levels in Yamuna river in Delhi remain high with fecal coliform concentrations peaking at 79 lakh units per 100 ml (MPN) at Asgarpur where the river exits Delhi, according to the latest water quality report for November. Dissolved oxygen (DO) levels dropped to zero at the ISBT bridge and remained at zero until the river exited Delhi. Zero DO levels are typically indicative of a dead river ecosystem

Issue	<b>Delhi drowning deaths: HC seeks CBI reply over interim bail to Rau IAS CEO</b>
Brief	The Delhi High Court on Wednesday sought the CBI's stand on a plea against the interim bail to the CEO and coordinator of Rau's IAS Study Circle, where three civil aspirants drowned in the building's basement.

If this was a question in the exam, how would he ask the students to answer?"</li> </ul>

<b>Issue</b>	<b>‘Unacceptable proposition’: L-G Vinai Kumar Saxena slams Delhi government over bus marshal proposal</b>
<b>Brief</b>	LG Vinai Kumar Saxena on Tuesday hit out at the Delhi government saying the Kejriwal government has never ever come up with any scheme for "Bus Marshals". Saxena pointed out that the term "bus marshals" was misleading, as those previously designated as such were merely Civil Defence Volunteers, who had been removed last year following recommendations from then-Chief Minister Arvind Kejriwal.
<b>Actionable</b>	<p><b>Narrative</b></p> <ul style="list-style-type: none"> <li>● <i>AAP- LG ke Beech Fassi Hui Dilli</i></li> </ul> <p><b>Cohort Meeting Bus Marshals, Smt. Alka Lamba</b></p> <ul style="list-style-type: none"> <li>● Hold an informal group discussion (in Buses, at protest site) with the bus marshals, live on DPCC social media platforms; allowing the marshals to raise their demands</li> <li>● Demand, that the LG &amp; AAP government stop their political blame games as this is affecting marshals' livelihood and families</li> <li>● Emphasise that in their political fights, it is Delhi that suffers</li> </ul> <p><b>Press Byte, Sh. Sandeep Dikshit</b></p> <ul style="list-style-type: none"> <li>● Highlight that if what LG is saying is true, <b>Arvind Kejriwal himself is responsible for stopping the scheme &amp; then protesting against it</b></li> <li>● If the scheme was never formulated &amp; the budget was never allocated, Kejriwal &amp; CM Atishi have wasted the last year &amp; the assembly sessions</li> </ul>

<b>Issue</b>	<b>Arvind Kejriwal says 'no possibility of alliance' with Congress for Delhi polls</b>
<b>Brief</b>	<p>Arvind Kejriwal on Thursday reiterated that the Aam Aadmi Party will contest the upcoming Delhi assembly election alone, and "there is no possibility of any alliance with the Congress".</p> <p><i>Note: The continuous conversation on the AAP-INC alliance seems to impact Congress negatively with the assumption that INC is desperately requesting for an alliance</i></p>
<b>Actionable</b>	<p><b>Press Bytes, Social Media - All DPCC leaders &amp; AICC State Incharge Qazi Nizamuddin</b></p> <ul style="list-style-type: none"> <li>● DPCC is clear from the beginning that Congress will contest this election alone</li> <li>● Emphasize that AAP has been the party desperate for an alliance in multiple states- the most recent example being Haryana</li> <li>● Highlight that AAP is desperate &amp; scared because they also know that people are seeing through their facade - changing all candidates is only one example</li> </ul>
